

Product Change Notification

PCN number: PCN_RMS_20190104_EN

Date: 2019.01.04

1. Change description:

Change type	Visual/structural - UI changes.
Detailed description	RMS WEB interface will receive a major upgrade.
Change reasons	Improved ergonomics and user experience, back-end updates for future feature compatibility.

Release date | 2019 January 4 – January 8

3. Change impact

Risk assessment	Some functions might be reachable via different path after menu structure changes. Short server downtime periods and service disruptions can be expected during RMS server update period from the 4-th of January 9:00 a.m. to the 8-th of January 11 p.m. .
-----------------	---

4. Acknowledgement of PCN Receipt

If no feedback is received within two weeks after the issue date of this notification - Teltonika will presume that the fact of this change has been acknowledged and can implement the change as indicated above.
